### **Under 10's, Under 9's and Under 8's Managers**

Although these age groups are effectively non-competitive we actively encourage the participating clubs to send in via email as soon after games have finished results which will be used to populate the progress charts on the web site.

**Please email the above details to one of the following email addresses**

[russ@exeteryouthleague.co.uk](mailto:russ@exeteryouthleague.co.uk) or [rpm@rpm-solutions.co.uk](mailto:rpm@rpm-solutions.co.uk)

We also very much encourage all teams from all age groups to send in match reports, news items and photos via the web site form so as we can make the web site into probably one of the best supported and most active youth football web sites in the country.

If anybody has any queries about the web site, its content or have suggestions on how to improve it email Russ on [russ@exeteryouthleague.co.uk](mailto:russ@exeteryouthleague.co.uk)
